

# CARBURETOR SPRAY

Cleaning agent for carburetors

**Description**

Excellent cleaning agent that reliably removes oxidation deposits and combustion residues in carburettor units.

**Product features**

- cleaning
- suitability for use with catalytic converters checked
- suitable for all types of carburettor

**Notes**

Shake can before use.

**Field of application**

MOTOREX CARBURETOR CLEAN SPRAY is perfect for cleaning air passages, inlet flaps, Venturi tubes, adjustment screw seats and carburettor housings of all two-stroke and four-stroke petrol engines.

**Application**

Remove air filter and spray into the suction pipe. Start the engine and then spray onto throttle valves, air nozzles, air lines etc. Press the accelerator intermittently.
