

# HELMET & GEAR CARE

## HELMET SPRAY CLEANER

### Description

The tried-and-tested active foam formula cleans and freshens up helmets and various protectors, but can also be used on your gloves and the full range of protective equipment. Ice hockey gear, boxing gloves, riding boots, or walking shoes – the care spray is ideal for all hard-to-clean items that require gentle cleaning and freshening up. HELMET & GEAR CARE is very easy to use and lets you care for and deodorise your equipment – both gently and effectively – in a single step.

The revised design will be introduced on an ongoing basis.

### Product features

- deoderizes
- freshens
- quick and effective

### Application

Remove coarse soiling manually. Shake can, spray on foam and allow to act briefly. Then wipe off with a dry cloth. Use regularly.

### Technical Data

Properties	Test according to	Unit	Values
Colour			yellow
Density at 20 °C		g/cm <sup>3</sup>	1.012
Viscosity at 40°C	DIN 51562-1	mm <sup>2</sup> /s	< 1.0
Flashpoint Miniflash CCA-FLPH	ASTM D6450	°C	< -5
Lower explosion limit		%(V)	1.5
Upper explosive limit		%(V)	8.5

The above information corresponds to the current state of our knowledge. We reserve the right to make changes. The performance characteristics indicated are based on testing and production tolerances standard in this industry. A safety data sheet is available.
